SUMMARY

Third-year BCA student at Lachoo Memorial College of Science & Technology, Jodhpur (Graduating June 2026) with project-based experience in web development, data analysis, and branding. Skilled in designing responsive, user-focused web applications using HTML, CSS, and JavaScript, with working knowledge of C, C++, Python, and Java. Motivated learner who enjoys solving real-world problems, collaborating in teams, and growing through feedback. Excited to expand front-end expertise and contribute to impactful projects in dynamic environments.

INTERNSHIP EXPERIENCE

Web Developer Intern – Kodbud
- Developed and deployed a client-facing website Nature Hikers, improving their digital presence and customer reach.
- Designed a Personal Portfolio Website to demonstrate skills and projects using HTML, CSS, and JavaScript.

PROJECTS

Netflix Clone
- Built a full-featured, responsive Netflix clone using HTML, CSS, and JavaScript. Implemented user authentication, dynamic browsing, and modern UI/UX practices. Practiced collaborative Git workflows.

Travel Blog
- Launched a Rajasthan travel blog with mobile-first layouts, interactive elements, and accessibility. Focused on web standards and engaging design.

Data analytics
- Excel: Cleaned and processed data, applied filters/sorting, and created dashboards with charts and pivot tables.
- Power BI: Prepared data, applied basic analysis, and built interactive dashboards with charts and filters.

More Projects
- Additional JavaScript/UI projects – GitHub and LinkedIn

SKILLS
